

Smartify Your Business with Samsung SMART Printing

SAMSUNG
SMART MultiXpress

Boost productivity with Smart UX Center, the industry's first printing UX system powered by Android™

With Samsung, smart technology is at your fingertips. Samsung Printing Solutions have the same smart functionalities as cutting-edge mobile devices and are managed easily, while still delivering powerful performance at reduced costs.

This multi-function device works like a smartphone. Control the printer with finger taps, swipes and zooms. Users can also use the on-screen browser to find the information they want and print it.

As of May 2015, 26 apps and 10 widgets are available for download to meet unique business needs and increase productivity. You can install your own applications from Samsung's Printing App Center directly to your machines.

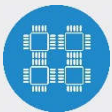

Admins and IT departments can lock down Smart MultiXpress devices to prevent users installing apps or customizing the printers. They can allow access to certain features on a case-by-case basis. These settings can be cloned from printer to printer.

 SMART UX CENTER

Higher performance, faster, sharper and more economical

Businesses can work smoothly and operate at a much more efficient level with high-performance, high-speed printing. A 1.5 GHz quad-core (for X7600/K7600 series) or 1 GHz dual-core (for X4300/K4350 series) CPU provides the power and capacity to accomplish print and copy jobs of any size or complexity swiftly.

Get sharper text, cleaner images and a superior resolution of 1,200 x 1,200 dpi, with Samsung's unique Rendering Engine for Clean Page (ReCP).

SMART MultiXpress printers are equipped with dual-scan ADF technology, enabling them to deliver ultra-high, best-in-class scanning speeds.

Lower your TCO and reduce waste with toners that yield up to 30,000 standard color pages, 45,000 mono pages, and drums that yield up to 220,000 pages (for X7600/K7600 series).

Featured models in the Smart MultiXpress range:

Mono line-up

K7600 series

K7600GX | K7600LX | K7500GX | K7500LX | K7400GX | K7400LX

- Prints 60 ppm (K7600GX/LX), /50 ppm (K7500GX/LX) / 40 ppm (7400GX/LX) at up to 1200 x 1200 dpi
- First copy out: 3.1 sec (K7600) / 3.7 sec (K7500) / 4.6 sec (K7400)
- Monthly duty cycle: 200,000+ pages
- Scans 120/240 ipm (simplex/duplex) (GX models), 80/160 ipm (simplex/duplex) (LX models)
- Long-life consumables: 450,000 pages drum capacity, 45,000 pages toner cartridge
- Optional wireless & NFC printing

A3

K4350 series

K4350LX | K4300LX | K4250RX

- Prints 35 ppm (K4350LX), /20 ppm (X4300LX) / 25 ppm (X4250RX) at up to 1200 x 1200 dpi
- First copy out: 4.9 sec (K4350LX) / 5.5 sec (K4300LX) /6.2 sec (K4250RX)
- Monthly duty cycle: 100,000+ pages
- Scans 80/80 ipm (simplex, mono/color) / 120 /100 ipm (duplex mono/color) (LX model), 45/45 ipm (simplex, mono/color) (RX model)
- Long-life consumables: 200,000 pages drum capacity, 25,000+ pages toner cartridge
- Optional wireless & NFC printing

Color line-up

X7600 series

X7600GX | X7600LX | X7500GX | X7500LX | X7400GX | X7400LX

- Prints 60 ppm (X7600GX/LX), /50 ppm (X7500GX/LX) / 40 ppm (X7400GX/LX) at up to 1200 x 1200 dpi
- First copy out: 4.5/3.0 sec (mono/color, X7600), 5.1/3.4 sec (X7500), 6.1/4.2 sec (X7400)
- Monthly duty cycle: 200,000+ pages
- Scans 120/240 ipm (simplex/duplex) (GX models), 80/160 ipm (simplex/duplex) (LX models)
- Long-life consumables: 180,000+ pages drum capacity, 30,000+ pages toner cartridge
- Optional wireless & NFC printing

X4300 series

X4300LX | X4250LX | X4220RX

- Prints 30 ppm (X4300LX), /25 ppm (X4250LX) / 22 ppm (X4220RX) at up to 1200 x 1200 dpi
- First copy out: 5.9/7.6 sec (mono/color, X4300LX), 6.6/8.2 sec (X4250LX), 7.2/9 sec (X4220RX)
- Monthly duty cycle: 100,000+ pages
- Scans 80/80 ipm (simplex, mono/color) / 120 / 100 ipm (duplex, mono/color) (LX model), 45/45 ipm (simplex, mono/color) (RX model)
- Long-life consumables: 100,000 pages drum capacity, 20,000+ pages toner cartridge
- Optional wireless & NFC printing

M5370 | M4370LX

- Prints 53 ppm (M5370LX) / 43 ppm (M4370LX) at up to 1200 x 1200 dpi
- First copy out: 4.5 sec (M5370LX) / 5 sec (M4370LX)
- Monthly duty cycle: 250,000+ pages
- Scans 55 ipm (simplex) / 80 ipm (duplex)
- Duplexing DSDF for faster dual-sided scanning
- Long-life consumables: 100,000 pages drum capacity, 30,000 pages toner cartridge
- Optional wireless & NFC printing

A4

M4580FX

- Prints 45 ppm at up to 1200 x 1200 dpi
- First copy out: 6.5 sec (mono)
- Monthly duty cycle: 20,000 pages
- Scans 35 ipm (simplex) / 60 ipm (duplex)
- Duplexing DSDF for faster dual-sided scanning
- Long-life consumables: 100,000 pages drum capacity, 40,000 pages extra-high-yield toner cartridge
- Optional wireless & NFC printing

Configurable devices for optimized performance

The unique configuration of the SMART MultiXpress series can accommodate businesses of all sizes and industries. Ensuring you can work smoothly and operate more efficiently!

* product specifications may change without notice, and product line-up may vary depending on your regions

Unsurpassed reliability and support that keeps your business working

We know anything that helps your business run more smoothly is priceless, especially when it comes to device management. Backed by reliable performance and available whenever and wherever you need it, we will always respond to your query.
